LEWIS & CLARK SITE DEDICATION SET FOR JULY 20

BUTTE (July 12, 2005) – Two Camps Vista Interpretive Site located north of Helena on the west side of Hauser Lake will be dedicated on July 20 at 10 am. “We view the dedication as a celebration of partnerships,” commented Rick Hotaling, field manager for the Bureau of Land Management. “This shows what good things come from federal, state, and private entities working together for a common goal.”

Two Camps Vista commemorates the Lewis and Clark Corps of Discovery Bicentennial in Lewis and Clark County. It is called “Two Camps” because Lewis and Clark both camped in the area 200 years ago at different campsites. The site features 12 interpretive panels that tell the story of Lewis and Clark and the history of the Helena valley.

The public is invited to join agency representatives at a brief dedication at the site followed by light refreshments at Clark’s Bay Day Use Area. For more information, call Marilyn Krause at the BLM in Butte, 533-7617.
